

Our School

Bruno Delmaestro Skating School's have been in operation for 35 years. We specialize in proper power skating technique, correct technique with the puck, and on-ice conditioning. Our customers are served by providing our consistent teaching and by remaining a small personalized hockey school. All programs are designed by Bruno. The skaters that attend this school come to improve one of the most important skills in the game of hockey which is skating. If you are going to play hockey, you have to know how to skate properly.

Program Description

The Winter program is to help players get back on track with their skating technique. The programs will consist of proper skating technique and mechanics. The emphasis is on teaching basic skills, balance, agility, acceleration, edge exercises, forward and backward skating stride, crossovers, lateral movement, all turns and quick starts. Physiologically, players will develop their cardiovascular and muscular endurance, muscular strength and power. Players will be trained how to skate with, and without the puck to enhance and develop the player's own personal style of skating.

Bruno Delmaestro

Bruno Delmaestro has a strong background in skating, having been a three time Italian National figure skating champion, European and world competitor and a hockey player. He has been able to transfer this success to his coaching and has been training hockey players, figure skaters and coaches for the past 35 years. He has developed his own theory and methods for teaching hockey, ringette, and figure skating. He is currently a NCCP Level 4 Certified coach in Canada.

Bruno has coached many of his figure skaters to National and International medals. In 1999, 2001, and 2006 he was selected as the Competitive Coach of the Year for the British Columbia and Yukon Sections of Skate Canada.

In hockey, Bruno has trained players who have been selected in the N.H.L. Drafted and have played in the N.H.L., played in the W.H.L., B.C.H.L., as well as players who have been awarded university scholarships. Bruno is also a Skate Canada Master CanPowerSkate Course Conductor and has worked with many different minor hockey associations who have used his skating programs.

Bruno is undoubtedly considered one of the best in the field by many hockey coaches, players and parents.
